Eric –

For this FOIA I do not believe I had any direct communications with the parties. I believe with all communications with outside parties I relied on counsel - Nicole Cantello, ORC. She should have all responsive records. Not sure if there is anything else for me to do.

I did communicate with one of the people listed in 2014, but it was not relating to S.H. Bell.

Hello Nicole and John,

I have taken over as ORC's FOIA coordinator now that Penny Hubbard-Greene has retired. Kaushal recommended I forward this FOIA request to you so you can check to see if you have responsive documents, as you are both mentioned. I do not yet have access to the online FOIA system, but I am working with Jessica Wheatley to get access. Please let me know if you have any questions or concerns.

Thanks,

Bob Hartzler

Hello,

This is to let you know that the attached FOIA request is being assigned to ORA, ORC, ARD, and SFD, because the requester has listed certain employees in your Division/Office who may have responsive records.

If you need an Outlook email search done by HQ, please let us know.

Thanks,
